THOUGHTFUL DESIGN FOR TOMORROW'S WORKPLACE

Work has a new meaning, and 510 Madison is redefining what it means to “go to the office.” Thoughtfully curated and impeccably designed indoor and outdoor spaces offer ample opportunity for collaboration or individual concentration.

The crowning touch – attentive, first class management backed by solid, stable ownership, making for a hospitable, assured experience.

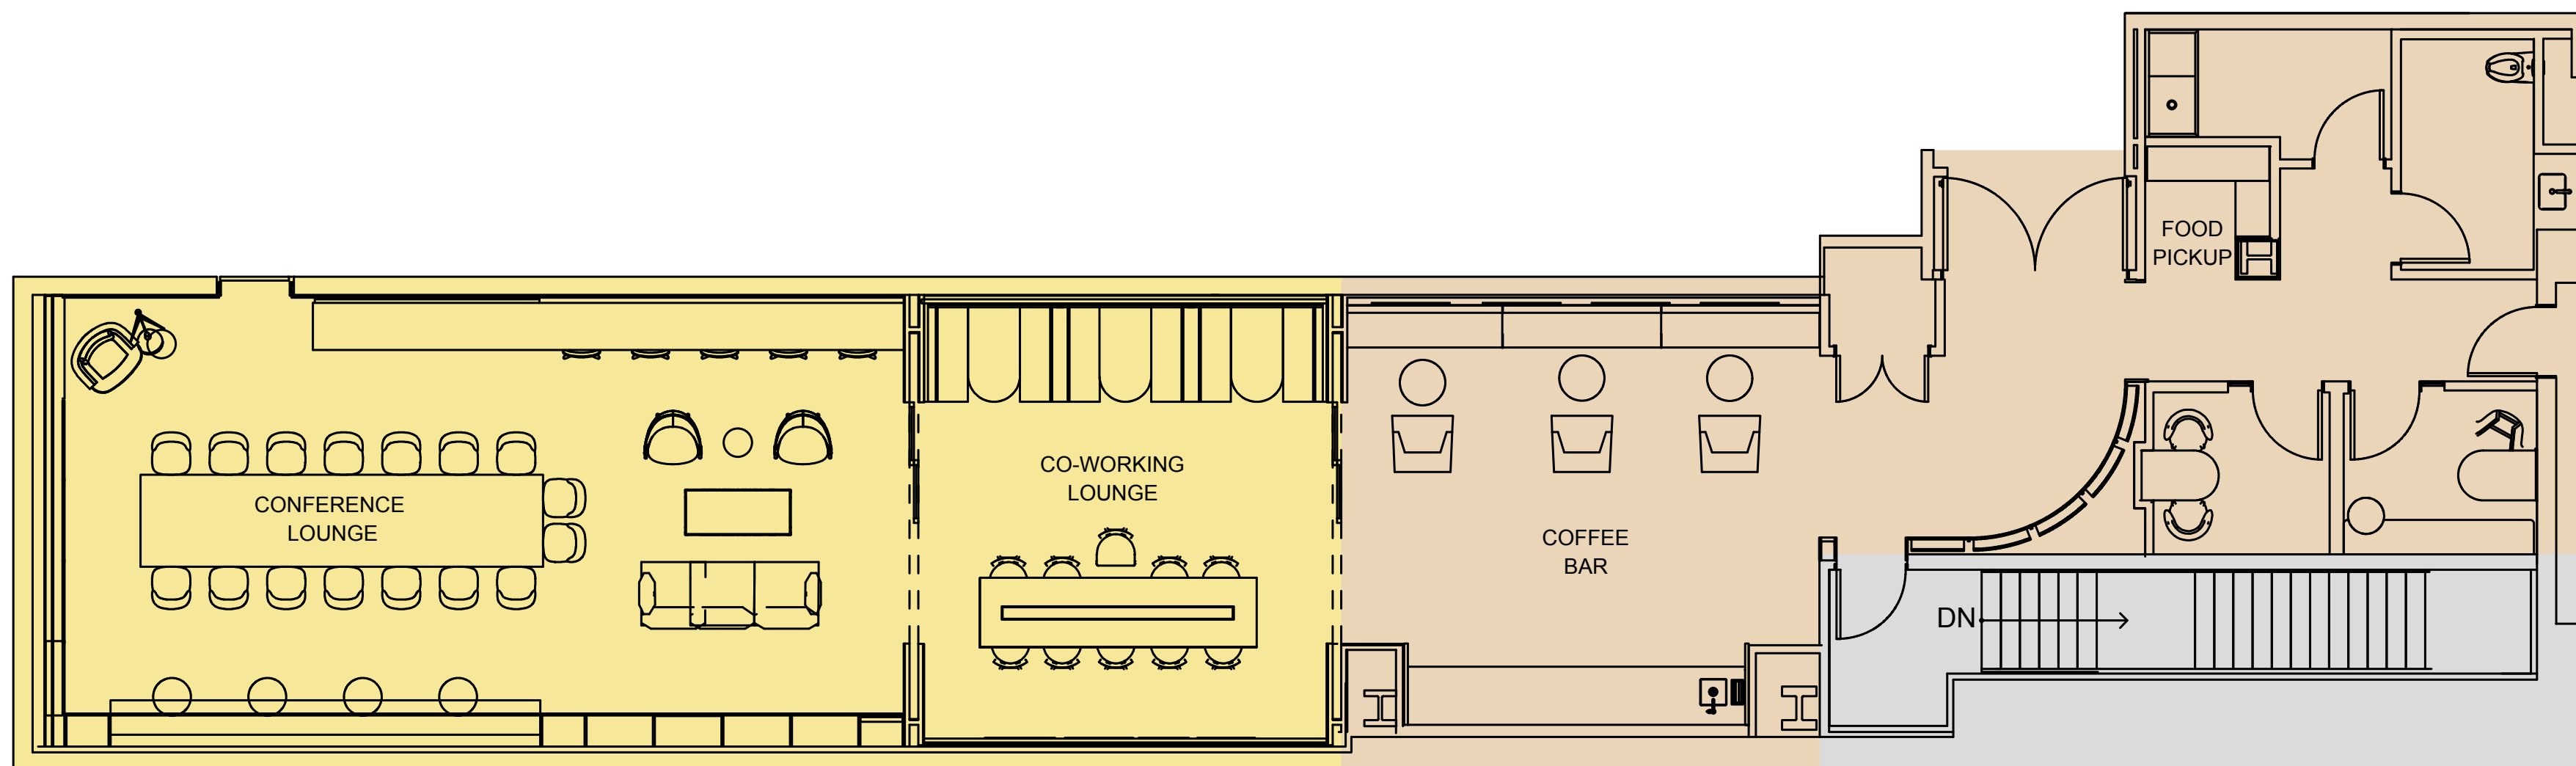

ARRIVAL

Elegance begins at the entrance door. Hospitality and business reign in equal measure. Soothing tones, luxurious materials, and bespoke artwork welcome all who enter.

THE LOUNGE

Warm and modern furnishings ensure comfort and ignite productivity. Comfortable communal seating, small group conferencing, and individual areas each cater to every need.

THE LOUNGE

Coffee bar, co-working area, and private board room for 20 people.

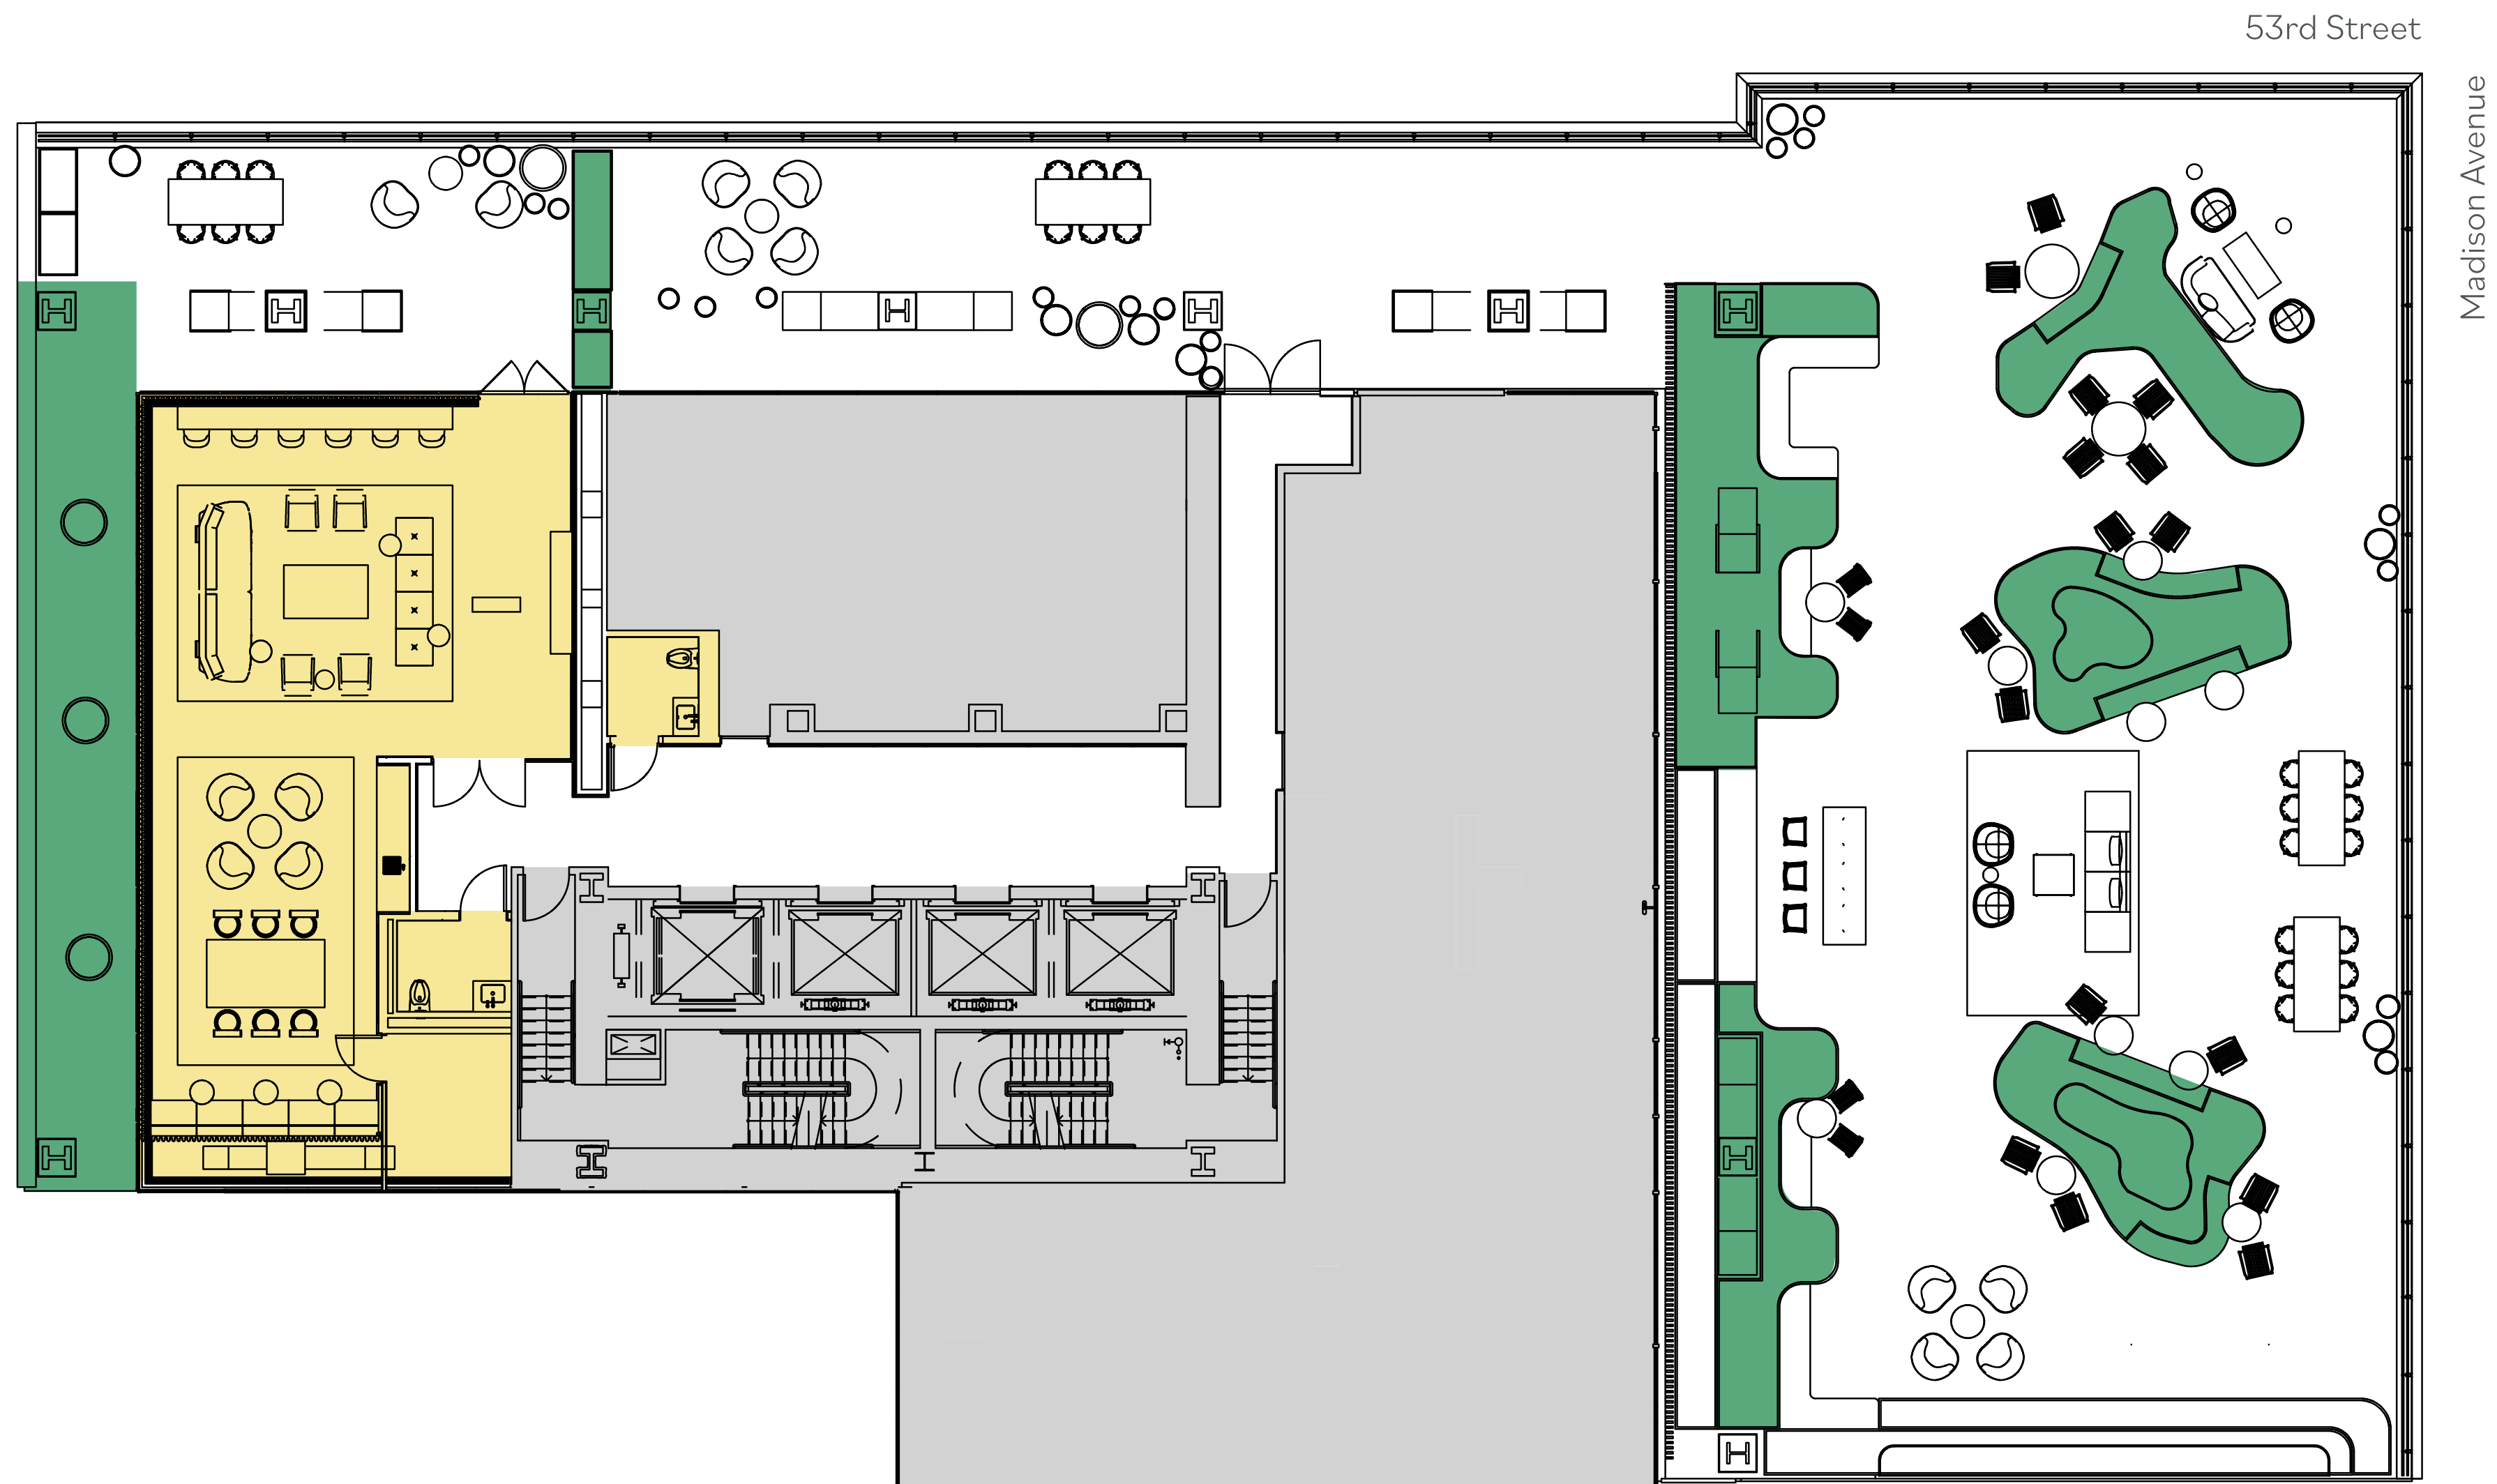

THE LOFT

A living room atmosphere infuses this sixth-floor loft providing additional space for collaboration or solitude – indoors or on the adjoining roof terrace.

THE OVERLOOK

Sweeping Midtown vistas are complemented by a commanding architectural truss providing additional inspiration or simply a mid-day respite. Lushly planted and newly reimagined with plenty of space to host a catered event with a bar set up.

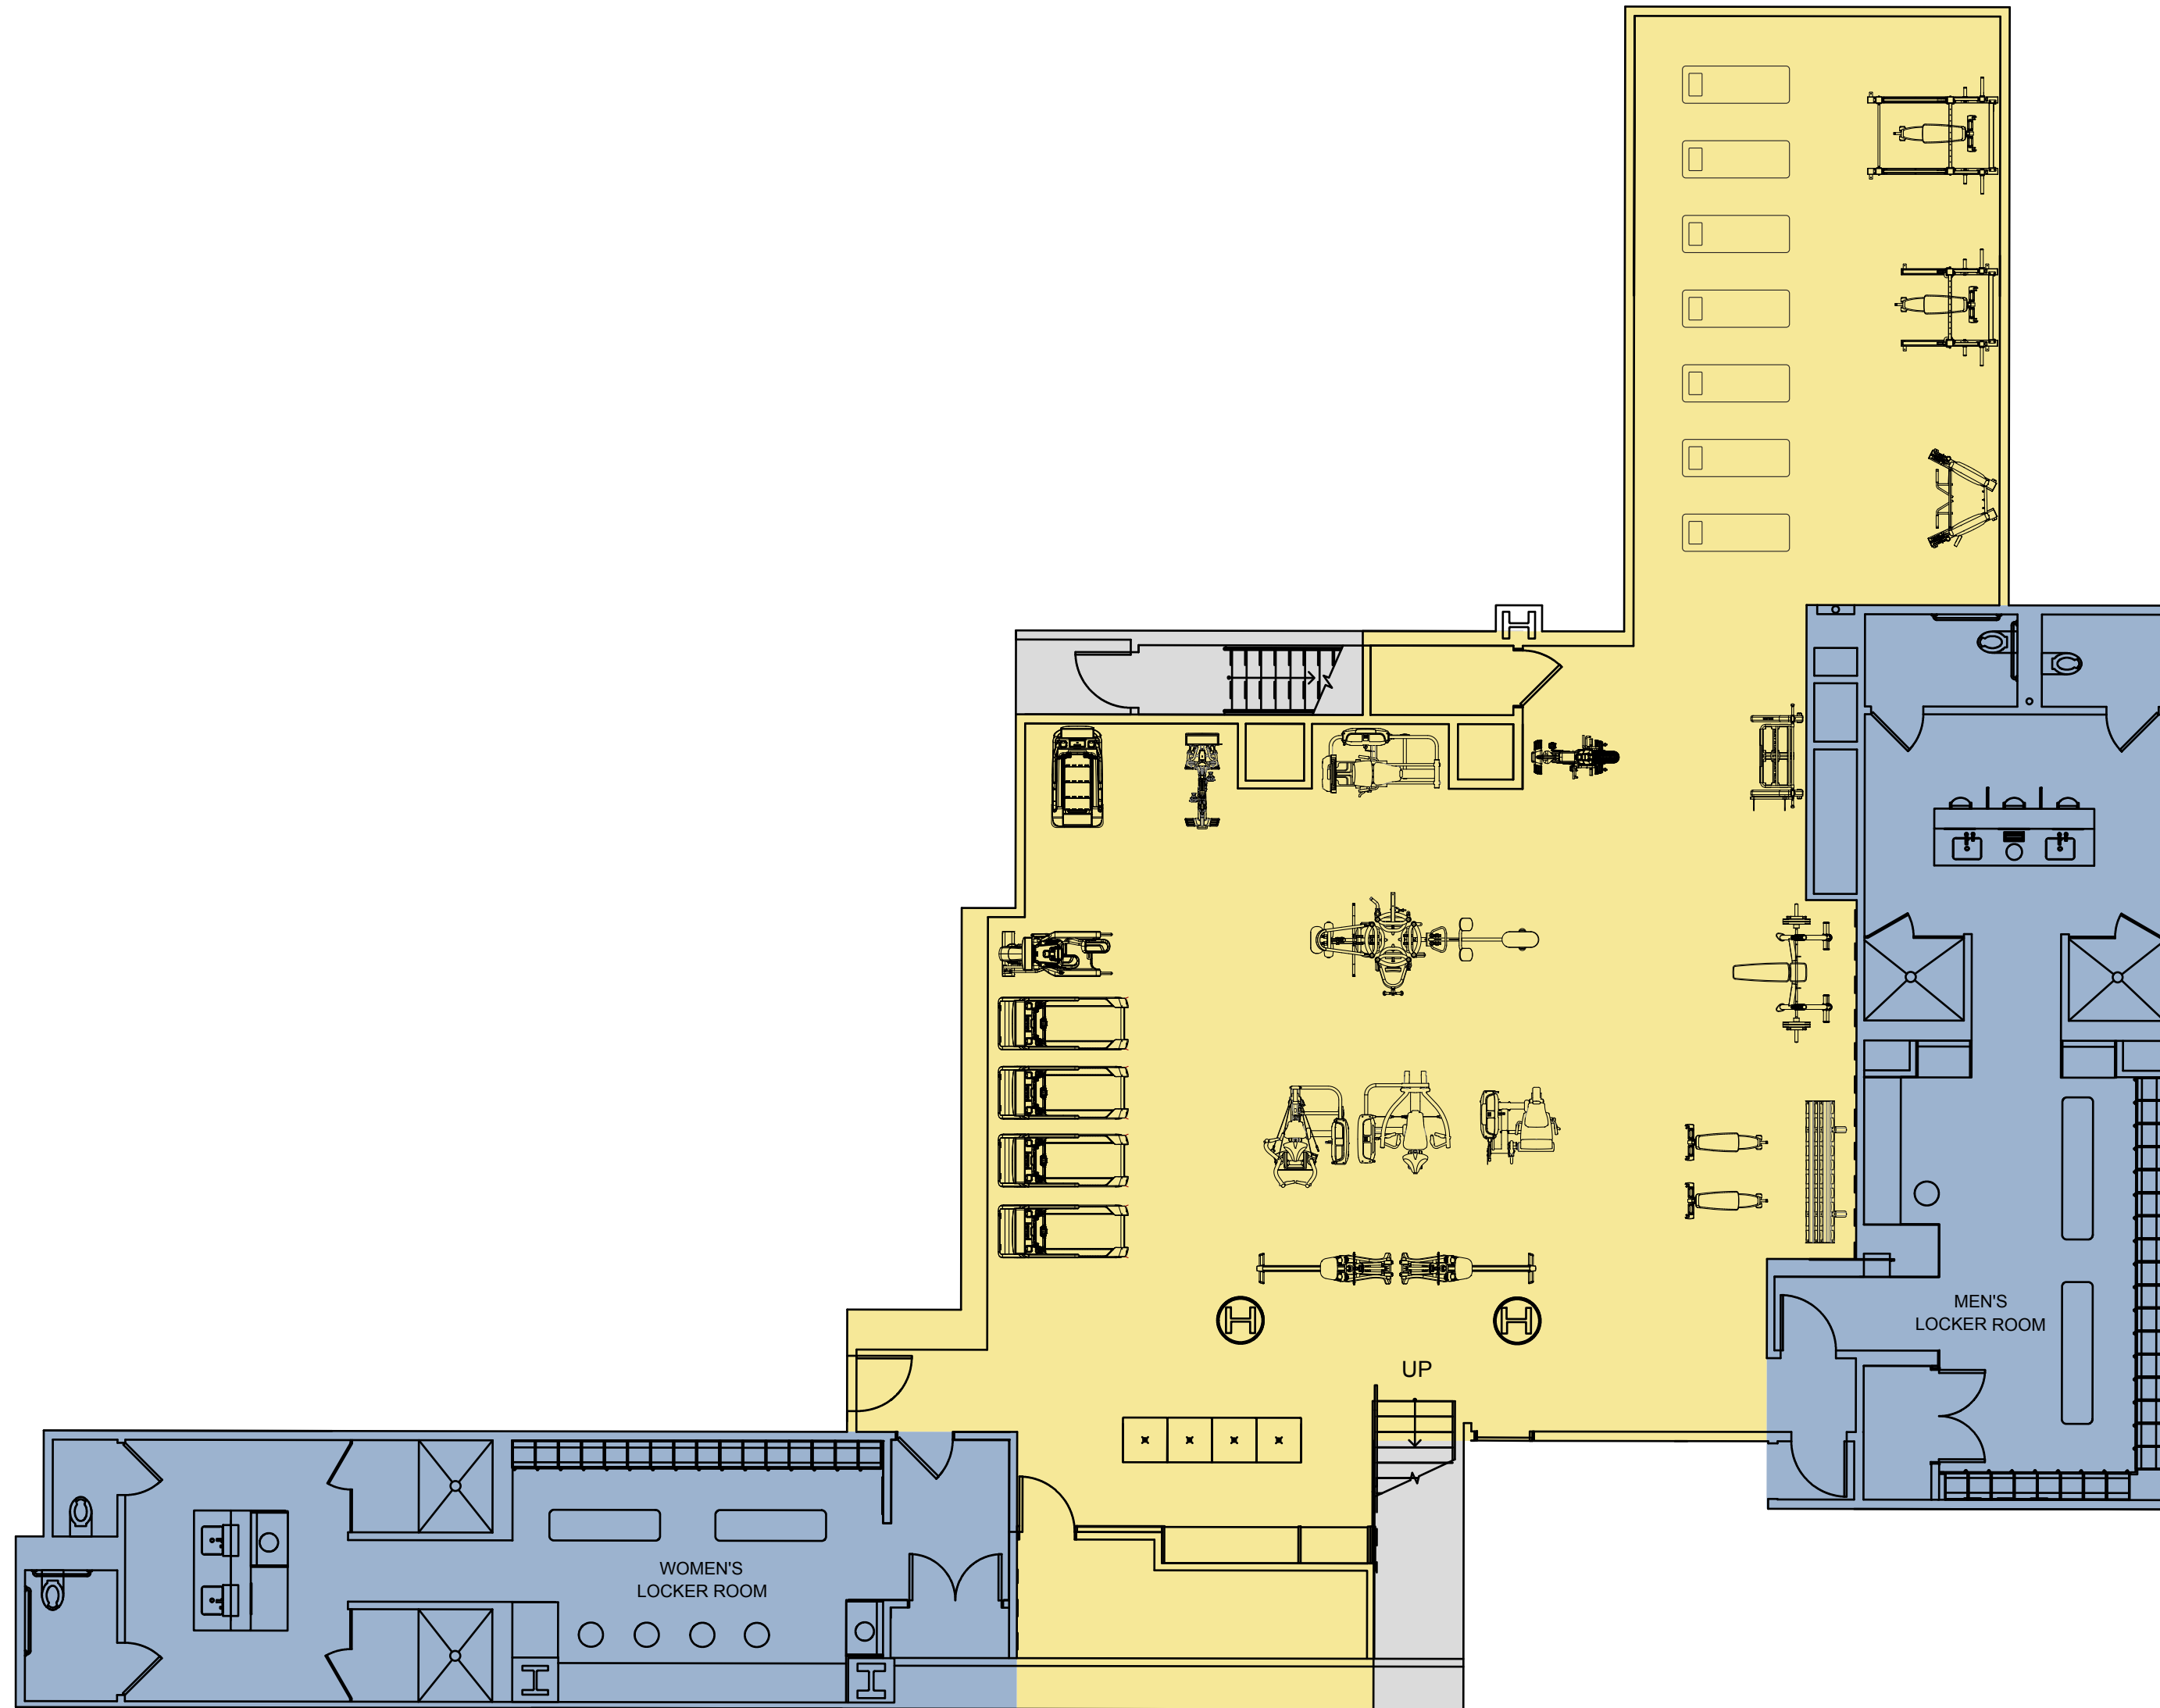

THE LOFT + OVERLOOK

Newly renovated terrace with varied seating styles to accommodate approximately 76 people.

THE STUDIO

The newly revitalized fitness center with personal training services and locker facilities features a full complement of core, strength, and cardio equipment.
